Mila Resources Plc

("Mila" or "the Company")

Corporate Presentation

Mila Resources, the post-discovery gold exploration accelerator, is pleased to announce that further to the Company's readmission to the Official List (by way of a Standard Listing under Chapter 14 of the Listing Rules) and to trading on the London Stock Exchange's Main Market for listed securities, its corporate presentation is now available to download from the Company's website at www.milaresources.com.

The presentation details Mila's key investment highlights following the Company's acquisition of an initial 30% interest in the Kathleen Valley gold project and the exploration licence E36/876 in the Kathleen Valley in Western Australia. The presentation also covers the Company's exploration and development plans at Kathleen Valley, to build on the existing JORC Inferred Resource and unlock the full potential of the project, which is located in a region which hosts some of the largest gold projects in Australia and which is adjacent to Bellevue Gold's discoveries.
