5. Please read the section "**Nominated persons**" below.
6. A proxy does not need to be a shareholder of the Company but must attend the meeting to represent you. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. To appoint more than one proxy, please photocopy the proxy form and insert the number of shares over which the proxy is appointed in the box next to the proxy's name. If you wish your proxy to speak on your behalf at the meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.
7. Shareholders can vote in advance of the meeting using the following methods:
 - (a) Appoint a proxy and give proxy instructions by registering their proxy appointment electronically by logging on to www.signalshares.com and following the instructions; **Or**

If you have appointed a proxy and attend the meeting and vote in person, your proxy appointment will automatically be terminated.

8. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolutions. If you either select the "**Vote withheld**" option or if no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote

(or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the meeting.

Appointment of proxies through CREST

9. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made using the CREST service to be valid, the appropriate CREST message (a CREST proxy instruction) must be properly authenticated in accordance with Euroclear & International specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by Link Group (ID RA10) no later than 11am on 15 December 2022, or, in the event of an adjournment of the meeting, 48 hours before the adjourned meeting excluding any day that is not a business day. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular message. Normal system timings and limitations will therefore apply in relation to the input of CREST proxy instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his/her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST proxy instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint members

10. In the case of joint holders, where more than one of the joint holders completes a proxy appointment, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).

Changing proxy instructions

11. Shareholders may change proxy instructions by submitting a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also applies in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you have appointed a proxy using a hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact Link Group at PXS1, Central Square, 29 Wellington Street, Leeds, LS1 4DL.

If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of proxy appointments

12. A shareholder may change a proxy instruction but to do so you will need to inform the Company in writing by sending a signed hard copy notice clearly stating your intention to revoke your proxy

appointment to Link Group at PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL. In the case of a shareholder which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

The revocation notice must be received by Link Group no later than 11am on 15 December 2022. If you attempt to revoke your proxy appointment but the revocation is received after the time specified, your original proxy appointment will remain valid unless you attend the meeting and vote in person.

Corporate representatives

13. A corporation which is a shareholder can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

Issued shares and total voting rights

14. As at 25 November 2022, the Company's issued share capital comprised 336,817,708 ordinary shares of £0.01 each. Each ordinary share carries the right to one vote at the Annual General Meeting of the Company and, therefore, the total number of voting rights in the Company as at 19 December 2022 will be 336,817,708. The website referred to in note 2 will include information on the number of shares and voting rights.

Questions at the meeting

15. Any member attending the meeting has the right to ask questions. The Company must answer any question you ask relating to the business being dealt with at the meeting unless:
 - (a) answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information;
 - (b) the answer has already been given on a website in the form of an answer to a question; or
 - (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Nominated persons

16. If you are a person who has been nominated under section 146 of the Companies Act 2006 to enjoy information rights:
 - (a) You may have a right under an agreement between you and the shareholder of the Company who has nominated you to have information rights ("**Relevant Shareholder**") to be appointed or to have someone else appointed as a proxy for the meeting.
 - (b) If you either do not have such a right or if you have such a right but do not wish to exercise it, you may have a right under an agreement between you and the Relevant Shareholder to give instructions to the Relevant Shareholder as to the exercise of voting rights.
 - (c) Your main point of contact in terms of your investment in the Company remains the Relevant Shareholder (or, perhaps, your custodian or broker) and you should continue to contact them (and not the Company) regarding any changes or queries relating to your personal details and your interest in the Company (including any administrative matters). The only exception to this is where the Company expressly requests a response from you.

Communication.

17. You may not use any electronic address provided either:
 - (a) in this notice of the Annual General Meeting; or
 - (b) any related documents (including the chairman's letter and proxy form), to communicate with the Company for any purposes other than those expressly stated.
